

# Check your size + view conversions

Now that you know your measurements you can find out your size :)

\*When applicable, we mention under a product description if you should select a size up or size down based on customer feedback if you fall between sizes or can't decide :)

## **Please note:**

With our sizing, our cup sizes will always stay the same and you can change your underbust size without affecting your cup size.

For example, a 32A and a 38A will have the same size A cup.

a 32D and a 38D will have the same size D cup.
